ESCA Result Sheet with the Association Points Tables etc published separately

This Result Sheet is for the Open Event. Within the series of ESCA's 9 Open Events in the season there are a number of competitions for affiliated clubs and their riders, the results of which will be published in Association result documents to be added as attached files to relevant ESCA events on the CTT web site, posted in ESCA's Facebook Group and emailed to club contacts in the associated clubs. This new process is still under development, in particular for vets and age group result presentation which will be in addition to what ResultSheet and Spindata offer.

Presentation of ESCA's Roy Humphrey Cup to George Taylor for services to The Association

Roy Humphrey was a driving force in The Association for decades. His family presented the cup to be awarded in recognition of hard work and commitment to The Association. George was presented with the cup in the HQ to acknowledge the support he has provided for many years, especially for his speed in responding to requests for help by offering to push off riders in many events. With the introduction of the requirement for working lights George has made a point of having a few spare on the start line so some of the unprepared can be loaned a light to enable them to ride. Very many thanks to George for all he has done for cycling as an event promoter and Secretary of SCA etc.

Notes & acknowledgements

Many thanks to all that took part in the event either by riding or helping. Members of several ESCA affiliated clubs, and friends, contributed to the smooth running of the event, especially the following:

Live Results Service: <https://resultsheet.co.uk> available real time on smart phones and in the HQ

Please note that the ESCA 100 is one of only thirteen 100 mile TTs in GB this year.

Last season ESCA's 100 was one of only 10 of the scheduled 14 off 100 mile TTs that went ahead. Riders used it as a qualifying event for a number of Best All Rounder competitions. There are local and national BBAR competitions. ESCA's long distance BAR requires associated riders to ride ESCA's 100, 50 and one of the 25s to qualify, which will also qualify you for the National Men's BBAR competition over 100 and 50 or Women's over 100, 50 and 25 miles. If you check out the CTT web site you will find e.g. 145 riders qualified for the Men's 2 distance BBAR in 2022. Competitions > BBAR > BBAR Results then Filter on BBAR Tables 'Man' '2 Distance' '2022' to see the 145 qualifiers.
