

CC BASINGSTOKE HILL CLIMB RESULT

**Holybourne Hill (Brockham Hill Lane)
Sunday 13 September 2020**

Thank you all for entering and riding the CC Basingstoke hill climb. I hope you all had a good morning and enjoyed the race (in so much as you can enjoy that type of effort!).

I would like to thank you all for taking so much care with social distancing and ensuring the event presented a positive image to the local community.

Congratulations to all the prize winners. There were some incredible times up the hill and some of the categories were very close. Both the men's and women's winners set massive course records - the Strava segments on the climb are now totally ruined for casual riders!

I hope you all have a happy and safe rest of the year, and look forward to seeing you again in September 2021.

With best wishes

Matt and the CCB
