

Circuit of the New Forest Open Time Trial 2024 Results

Thank you to everyone who volunteered out on the road and at HQ, this event relies heavily on marshals due to the nature of the course, it could not happen without them.

Congratulations to everyone who completed the course, I am sure you will agree it represents a unique challenge amongst time trial courses in the area. I hope to see you at future editions. Please see below the results for 2024.

Best wishes,
Joe
