Unseasonably warm weather made for a great afternoon of racing for a small field some of whom had already done Snake Pass in the morning.

Great to see BDCC riders on the podium – Carr Lane regular James Lonsdale taking 3rd in the male category and Lianne Taylor coming in as second woman in her very first hill climb but ultimately it was Sally Maitland and Harley Widdowson who took the win in the female and juvenile categories whilst Course Record holder Adam Kenway took first male

Next year's National has a very similar profile to Carr Lane so could provide an opportunity for a bumper field as well as our local Carr Lane experts to head for the nationals.

Thank you to BDCC club colleagues for turning out in numbers to marshal and support riders. It was good to see many other spectators at the finish line.
