Thanks to all the riders, officials, helpers and photographers for making this another successful edition of the Rutland CC Mam Nick Hill Climb. Conditions were amongst the best since we began running the event – mild, a gentle breeze and low air pressure. The rides took advantage with some amazing performances and several records falling. We were privileged to have World Tour rider, Team GB star and Giro stage winner Lizzy Banks riding, as well as current national hill climb champion Andrew Feather. Lizzy took 8 seconds off the womens course record, with 7:34.7, and Andrew took 13 seconds off the mens record, with 6:03.7. Is a sub 6 minute ride possible?? It took many years for anyone to dip under 6:30, so 6:03 is an incredible ride. The team record also fell, with Team B38 Cycles in Motion taking 3 seconds off their own record, with a combined 19:35.4, and 2nd, 3rd and 4th in the overall event, led home by last year's winner, Andy Nichols.

Thanks to the bakers, who are responsible for an unprecedented amount of donations for refreshments! Thanks to everyone for hanging around and having a chat afterwards.
