Many thanks to all of you who supported our event, without a shadow of doubt entries have been down on a national scale since Covid.

Congratulations to the winners, especially to our two champions David and Becky. I must admit that whilst I was trying to hold the result sheet up and writing the times in, I over looked the fact that Becky had smashed the course record. Quite an achievement considering how long this course has been in use.

This was my first event which I have organised in Rendlesham forest. Even with the help of the sunshine I felt it was a much better location to that of the A143, where we have held our annual event for the past 15 years or so.

Hopefully, see you all next year and as Mick says next time “Bring your friends!”

Mark.
