This year's Chippenham Wheeler's hill climb was run in near perfect conditions, with light winds and glorious blue skies - although a few of the riders did look a little chilly on arrival! The sunshine brought out a field of 35 riders and a large number of spectators, who provided noisy support and a great atmosphere on the hill. In the men's race, Gabe Dellar of Stolen Goat Racing Team defended his title in 04:22:61, improving on last year's winning time by an impressive 8 seconds – less than three seconds shy of Andrew Feather's course record, set in 2019. Joshua Hall of Elevate RT finished second (and 1st Espoir) with Joe Rees of Ajax Cardiff CC only one second behind in third place. Grace Reynolds of Brother UK - Team OnForm won the women's race in 05:41:92, ahead of last year's winner Emily Lockwood of Chippenham Wheelers, with Hayley Wood of Bradford-on-Avon Cycling Club delighted to take third place. In the Junior category, Charlie Hoy posted a highly impressive 05:16:20, whilst the men's V40, V50 and V60 1st places were taken by Kevin Thomas, Andrew Metherell and Paul Winchcombe respectively.

Thank you to all the marshals, timekeepers, helpers, riders and the fantastic number of enthusiastic spectators who, equipped with cow bells, provided noisy support for the riders on their way up past the church!

Special thanks once again to St Anne's Church and the residents of Bowden hill for laying on such a wonderful array of cakes, drinks and support for our event.

1st Male, Gabe Dellar

1st Female, Grace Reynolds
