Thank you all for supporting this event and congratulations to prize winners. Riders were able to enjoy good weather conditions returning some impressive times on a short course of 47 miles. My crude calculations to compare with 50 miles sees three riders inside 1:50:00 and David Parkin with just over 1:50 on a road bike. Well done to all riders.

The marshal and HQ support were superb. I would like to say a very big thank you to all the Marshals, Timekeepers and Headquarters officials, see below, for giving up their Saturday afternoon to help out. Also, a particularly big thank you to Lynne, Susan, Wendy and for making and serving some great cakes.

Kind regards
David
