The members of Sowerby Sunday Club hope that everyone was pleased with their ride and how our first open event went. A troublesome north-westerly took the edge off of times, making the last stretch to the finish hard going, but all-in-all a good day I think. For many of our club volunteers this was their first time at an open time trial, so hats off to them for making the event a success.

The return of refreshments after your efforts was clearly welcomed by all, with members and 'other halves' producing an impressive selection of delights to replace burnt calories...and a few more!

Finally, many thanks to John Hardy and Elaine Ward, our timekeepers, without whom we wouldn't have an event.
