Two tandems and seventy-one solos reported to the timekeeper from a total entry of 91. They were greeted by a light north westerly breeze and 22c temperature (in contrast to last year's 'wind fest'). 39 finishers improved their current 50 time by an average of 5mins 22secs, making long trips to the F2/50 worthwhile for many of them.

Winners, Henrik Persson and Naomi de Pennington were among the genuine improvements.

The course was very well marshalled by my Finsbury Park CC clubmates, who also managed the tea and cakes support, and I appreciate the compliments received from several riders in this regard.

Gordon Hart, Icknield RC, our local doyen of timekeeping held the watch with his customary proficiency, and I am grateful for his continued support of this annual event.

And special thanks to Chris Dyson, Cambridge CC, for his work in ensuring the offending pot hole did not cause a problem for riders.

Richard Tully, Elite Cycling, stayed upright after a worrying encounter with an overtaking motor car that did not have the common decency to stop. I am pleased to report that Richard escaped with minor bruising and is fully recovered. His bicycle was not so fortunate.
