## Summary

There were 40 entrants of which 11 were females (27.5%); 11 riders did not start and everyone else finished. It was a warm afternoon with a bit of wind but one person still managed a pb.

Two entrants were not vets; Chris Bartley who was fastest overall with 19:24 and Anastasia Bowler who was the fastest female with 22:44.

Danuta Tinn was fastest overall on standard with a plus of 5:58 and Ian Greenstreet was the fastest male on standard with a plus of 5:43.

Two teams entered 3 riders but both had fewer than three finishers so no team medals were won.

The event could not have gone ahead without people volunteering to help and thanks must go to the following who made my first open event as organiser run so smoothly:

Start:	Alan Hodgson & Paul Marchant
Finish:	Mick & Marion Fountain, Roger Woolsey, John Payne
Marshals:	Geoff Perry, Derek Reynolds, Peter & Veronica Long, Jim Roberson, Brian Moon, Peter Ayres
HQ:	Therese & John Hoskins, Ann Woolsey, David Guy
Signage:	John Payne

I would also like to thank Rachael Elliott for her advice and help with organising the start sheet and particular thanks to David Guy for his help, especially in dealing with the council over the proposed roadworks enabling the event to go ahead.
