Firstly a big thank you for entering our event, 20 riders makes it worth putting on!

Congratulations to all our winners, especially to all five West Suffolk Wheelers riders who all managed to win something.

Thanks to all of you who adapted to the course change at fairly short notice and also to all my helpers on the day. Again with the short notice and giving up your time to come out and support the club.

I cannot run an event without your help, modern technology can only do so much!

Hopefully see you all next year

Mark.
