**NOTE FROM THE ORGANISER.**

Congratulations to All Riders who entered the event. Everyone managed to get around safely and finish in adverse weather conditions. April weather had arrived in June. It was cold, raining and windy (all the elements to make a classic Mountain TT on the Horseshoe Pass).

Congratulations to David Fellows of Solihull CC Who rode an excellent ride and broke the course record. Amazing result and opportunity for David, as a course change to the D24/1 because of roadworks on the D32/1 at Pwllglass. Excellent rides throughout the field in all categories. A big thank you to all of you for riding and

supporting the event. A very big thank you to all the Marshals that braved the cold, it is much appreciated.

Many thanks to the Timekeepers Dom McGinness and Kate Wooder.

Thanks again to Simon Clemence of the Ponderosa Cafe for the welcome and letting us host our event at the foyer of the cafe.

Finally a big thank you to Terry Donellon for the very kind donation of the Trophies (Winner, Fastest Woman and Fastest Junior).

Hope to see you all again next year. Wishing you all a great Racing Season ahead.
