Thanks for taking part in the Nova Open 10. I'd like to thank the volunteers. At the HQ Caroline Mullier (chief sorting stuff out and listening to moaning), Margaret Caswell, Stuart Newton, John Tiffany. Parking Mike Hudson. Start Marshals Mike Hutchings, John Woods, Derek Irvine. Walshford marshals Simon Ketteringham, Rob Beagley, Bill Morrith and Richard Salden (who also put out the signs). Thanks to Phil and Mike, our time keepers.

Congratulations to all our prize winners (and to any PBs) and especially to Adam Duggleby and Brit Tate who both broke long-standing records. Adam is the first person to break 20 minutes on V212 The Red Wall.

Ian Chapman Photography was taking pictures at the event and his photos can be viewed here.

Note that the results I have given below are separated into women's men's and tandem. The official results on the CTT website will list the men and women together, so your position may be different, as it was not officially a separate men and women event.
