Overall the weather was great. A clear, mild day with sun before the rain settled in.

Great rides by all who entered made it a wonderful event.

I would like to take the opportunity to thank all the Marshals and Timekeepers and Timekeepers assistant.

Many thanks to Steve for taking the photos of the event.

A very big thank you to our long standing member Terry Donellon for the kind donation of the two trophies for Fastest Rider and Fastest Women.

Hope to see you all again next year, all being well in April. The earlier start of 8am made for a quieter and safer ride.

Our Horseshoe Pass Hill Climb takes place on the 3rd October. Entries close soon hope you can make it.
