I thought I'd mix up the format for prizes, partly because the prize kitty was a bit light on lieu of the reduced entries, but thought it might be good to reward personal improvements, thereby opening it up to a new set of riders, there were always going to be a couple of people who would struggle with the incredible PB's they already hold!

Oh dear, after confidently reassuring Phil Bache that his although his previous result had been overlooked, it had no bearing on the actual result.... He had in fact won! Sorry to Alan Hughes who's been squeezed out of the top spot, and top Road Bike Jon Ellis (pipped out of third!)
