### ACKNOWLEDGEMENTS

Thanks to everyone who supported this rescheduled event, either as a rider or helper. For a while shortly before the start it looked as if our efforts to run the event would be dashed again, although a heavy squally shower did encourage a few riders to DNS. Those who did battle out into the westerly wind were in the main pleased with their efforts and some most respectable times were recorded. Particularly worthy of note was Simon Beldon's fastest ride of the day in only his first event after his terrible accident

early in 2019. Despite it being regarded as a "strong man's day" the incredible Ron Hallam once again proved invincible on standard.

Congratulations to Simon and Ron and all our other award winners.

Thanks to all who helped in any way with this event:

My wife Barbara for ongoing help and support and for signing on steward on the day, John Baker and Gary Shooter (pushers off), Chris Goode (timekeeper's clerk), Nigel and Karen Bennett (result board), Mike Williams, Brian Sunter, Bob Tate, Nick Hanson and Neal Jackson (all marshals).

Timekeepers Geoff Backshall and Betty Philipson and handicapper Phil Hurt

And the most important tea and cakes team of Adrienne and Aldo Pelosi.

Special thanks to everyone who donated the beautiful selection of home baking.

Finally thanks to everyone for generous donations to refreshments and further donations through the event. This sum of approximately £75 will be forwarded to Yorkshire Air Ambulance.
