Keep up to date with both club and open events run by Newbury RC at www.newburyroadclub.co.uk

Thanks to all the riders that entered. It was great to be running Open events again after so many were lost last year due to the lockdowns. The weather also improved from the single digit temperatures we've seen of late for both our morning and evening club events, sorry you still had to contend with a challenging breeze. Again, my apologies that we weren't able to offer better catering, and a results board. We look forward to events getting back to normal soon. Thank you for your patience while queuing for the loos, hopefully no one had to wait too long. This was the first open event on the slightly revised H25/1 course, but initial feedback suggests the course is now slightly faster than before. The traffic did seem extremely busy, I would welcome any feedback riders have regarding the event. We could start the event earlier in future? It was great to see such a strong entry from women riders, it does seem to be a growing area. Congratulations to the prize winners and all who set a new PB, or even just had a good ride. Congratulations too to Richard and Lizi for setting new course records for men and women.

The Thank You Column

As always, the event couldn't have taken place without our small army of helpers. For your benefit the following gave up their Sunday Morning.

Timekeepers Bob Lyle & Ian Lakey

Keeping an eye on the traffic lights: Glen Knight

At the Start, Chris Burch

At the finish, Dave Portwood & Dave Jones

Course marshals: Debbie Dawes, Nestor Patrikios, Tom Rossiter, George Catlow, Guy Jackson

HQ Management and Sign-On: Sian Lakey and Becky Milsom
