First of all, can I thank everyone who rode today on what proved to be very tough weather wise.

Considering the conditions the number of rides under four is truly inspiring.

Congratulations to all the prizewinners and especially the GS Metro team, who have, subject to ratification, set a new Mens 100 Mile Competition Record.

Thank you to everybody for abiding by the Covid 19 restrictions.
It made my job a lot easier on what could have been a stressful day.

Finally,

No event is the work of one person and I am very grateful to the following for helping me ensure the event was a success:
