From the organiser

Well, we could not have hoped for a finer morning to run our Open 50 time trial.

Asking our members and friends to support an event requiring a 7am arrival time, and on a Sunday, it is not something I do lightly. Work for some started on Saturday evening, preparing the course with signage. On behalf of all the competitors, I wish to thank each of you.

Many of you will be concerned for Ian Casson, he required an ambulance after falling off due to a front tyre puncture. He sustained a broken femur head and will require total hip replacement. We all wish him well with his recovery and hope to see him back on two wheels soon. A special thanks to corner marshals John Eagle and Roy Hayhurst, and Patrick Green of 360 Cycling who tended to Ian whilst he waited for the ambulance.

Congratulations to our individual winners David James Williams, Joanna Cebrat, Mark Lovatt, and Alice Taylor.

Thank you for supporting our event. Don't forget our Tuesday evening 10s, details can be found here <https://mywindsock.com/champs/congleton>
