Congratulations to all the prize winners and thanks to all the competitors who made it a great competition. It was very close for the top places. The damp conditions made some of the corners slippery, causing both Jack Levick (Rose Race Team) and Robert McGregor (Paramount RT) to crash. They were both given first aid by Cheshire Bike Marshals Paramedics, and suffered no serious injuries.

The wet conditions did cause several electric gear systems to fail, leaving riders in top gear. Alastair Ribbands reported doing most of the ride in 60 X 11 (ouch!). Alison Stephenson was similarly affected as was Gaynor Beckett, who stopped, managed to get her bike fixed and restarted losing 31 minutes. She got the consolation of a spot prize though.

Apologies to Bradley Murphy whose time on the day was reported as 1:55:06. His actual time was 1:52:42.
