

# **Duchy Velo Time Trial S102/16 Wednesday 5<sup>th</sup> July 2023**

Evening everyone. I hope everyone enjoyed their ride last night. The final half a mile is certainly a special treat!

A massive thank you to everyone who helped out on the night. Special thanks to Anthony Green who set up the course with me and also sorted the electronic results last night. It was a bit worrying at 4.45 when the road was still closed at the Iron Bridge due to an accident, but fortunately it opened up in time to get the last of the signs out.

A recap of our winners:

### **TT Bike Category**

First male	Nigel Polkinghorne 39:16
First female	Sophie Butcher 47:46

### **Road Bike Category**

I will put an update about photos on Facebook as soon as I have them.
