## ACKNOWLEDGEMENTS

Thanks to everyone who supported this rescheduled event, either as a rider or helper. It was great to be able to get back to a sociable aspect to the event with refreshments and chatting available afterwards and with a full prize presentation. The dire weather forecast did discourage some from travelling to the event but thankfully the rain held off until part way through. So a special thank you to all those with outdoor jobs on the course who had to stick with it despite getting a soaking.

Congratulations to our four new national champions - regulars Angela, Rachael and Ian and to Peter, who so far as I can ascertain has not won an individual championship before.

It was also good to have the presence of Julian and Matthew Read to receive the C A Rhodes Award, made posthumously to their father, Pete Read, well known to most of us and who would have loved to have been part of the event.

Thanks to all who helped in any way with the event:

Mike Williams for car parking/meeting and greeting and for general help and advice.

Geoff and Mickie Hornby for signing on stewardship.

Start timekeeper Steve Brown and pushers John Baker and Gary Shooter.

Finish timekeeper John Hardy assisted by Nigel and Karen Bennett.

Glen Knight for the live results system assisted by John Hallas.

Blair Buss for risk assessments.

John Hatfield for placing and removing the myriad of safety signs and for marshalling.

All the other marshals - John Churchman, Peter Yates, John Lancaster, Chris Goode, Tony and Hazel Stott, George Barker and Greg Thorley.

Not forgetting VTTA National President Tony Farrell who came along to present the awards and to admire all that is great about Yorkshire.

Oh, there was also Janine and her helpers in the cafe who kept us adequately supplied with drinks, cakes etc.

Mike Penrice – Event Organiser

**NOTE - RESULTS ON VTTA AND CTT WEBSITES WILL SHOW BOTH VETS HANDICAPS AND STANDARDS/PLUSES**
