Thanks to all that turned up today and over the weekend. Special thanks also to all my marshals and helpers; might only be a skeleton crew but they're goooood. Extra special thanks to Will my IT Guru. As I said during the presentation, been doing the event for 30 odd years, this I'm afraid was my last, thanks everyone who has supported the events over the years.

Congrats to the winners, some really good times throughout the field. It was great to see so many at the prize ceremony. About now I'd say see you next year, but don't worry, I'll still be helping out in the background for some events
