

# CC BASINGSTOKE HILL CLIMB - RESULT

**Holybourne Hill (Brockham Hill Lane) - HHC018**  
**Sunday 15 September 2019**

Thank you all for entering and riding the CC Basingstoke hill climb. This was our first promotion for a number of years, and we very much hope you enjoyed the event.

There were some fantastic times throughout the field, including course records from both the men's and women's winners. The Strava segment has been totally destroyed!

Some photos from the race are available to view on Flickr at:

Should you have any questions, queries or constructive feedback, please contact the race organiser. We look forward to seeing you again next year.
