

Ladies and Gents,

Firstly, I would like to thank you all for making my job as easy as it was yesterday!

As most of you will be aware, these events don't happen without a lot of hard work, by both the organiser and also from the marshal's, time keepers and of course helpers in the HQ.

Once all expenditure has been calculated, I will send another message through the CTT Portal to let you all know how much was raised for over the course of the event, and therefore how much will be donated to Charity, along with which charity you have all so graciously supported.

Hopefully, by the time you read this, the results will be available on the CTT Portal, so if anyone has any queries, please contact me directly.

The more observant of you may have noticed a photographer at the Tring RAB – his photos can be found at the link below, and he has given permission for the photos to be shared/ downloaded etc as required. Thank you to Trevor Hill for the photos and allowing them to be shared.

If you enjoyed this event, look out for the Icknield F12/30 in March 2021, and also the Icknield F11/10 in Sept 21. For the F11/10 entry conditions are likely to be the same as this year – Preference to Slower than 22:00 LTS and entries will again close 4 weeks prior to the event.

Finally, again, thank you for entering and riding the event, and I look forward to seeing you at more events next year!

Warm regards

Matt Price  
Icknield Road Club
