

Anfield BC 100 mile TT (D100/2) – PRIZE WINNERS

Congratulations to all who competed and to the following prize winners (1 Rider 1 prize). Any uncollected prizes will be sent out via post. Our prize list had to be reduced this year but I hope to resume it to its previous status along with a full field for next year. It was a wonderful days racing and you all as riders did the event and our sport proud. For anyone who had to leave prior to the presentation Tom Thornely won the men's event overcoming serious injuries from a crash only 11 months ago and fully deserves his name to be added to the list of time trial greats who have won this classic event. Christina Murray again showed her class in retaining the women's trophy but there were notable performances such as Paramount CRT clinching the Team event amongst many others on the day.
