Despite the last minute change of course due to traffic lights, and the threat of traffic lights at High Ercall too which fortunately did not happen, we did manage to get an event, so thank you all for your forbearance and participation.

A bit cooler than last year but at least Peplow now has a good surface which was no doubt much appreciated with four passages instead of three as planned.

A huge thank you to all the officials and marshals for their total help and co-operation with all the changes to locations and times. It is down to them that the event was so smoothly run. I've had a number of comments again this year about the high standard of marshalling so we all owe them a great deal.

I will contact all prizewinners to arrange payment..
