### Race Report

88 riders registered for the inaugural Whitelow Lane Hill Climb in Dore on 7th July 2021. The road has an almost perfect surface over the 0.92 miles course that heads out of Dore at the very edge of the Peak District. There is an average gradient of 8% but it is far from constant and the fact that the finish line is in sight at the end of a long straight for half the route is an additional characteristic that riders have to contend with.

Fastest overall was Andy Nichols (Team Lifting Gear Products/Cycles In Motion) with an incredible 3.35mins. The only rider within 10 seconds of this time was James McKay (Cycling Sheffield). Andrew Douglas (Veloviewer) in 3rd place was one of just 6 riders to manage under 4 minutes. Ben Lowe (Veloviewer) was one of these, whose 3:58 was enough for the men's veterans win. Chris Myhill (Peak Road Club) was second in this category with a time of 4.02.

Another rider breaking 4 minutes was Ryan Williams (Beeston Cycling Club) who posted 3.52. Ryan is just 15 years old and his ride was the winning time amongst the 16 juveniles that raced. Very fast times from Emil Howell (Matlock CC), Isaac Oliver (North Midlands Development Squad) and Harry Hudson (Matlock CC) sealed 2nd, 3rd and 4th respectively in this category. They were separated by just 3 seconds. Maia Howell (also Matlock CC) was the fastest junior female with 5.16.

The senior women set off last. Anna Brittain (7 Hills Cycling Club) was the fastest of them with 4.40mins. Maddi Smith (Bolsover and District CC) posted 5.33 mins and was the winner of the women's veterans category.

There were many other notable rides apart from these. However, ride of the day came from the youngest competitor. At just 6 years old (a difference of 64 years with one of our other riders) Pippa Spiers completed the course with a smile on her face in a time that is completely irrelevant. This was the first event organised by 7HCC and the first time racing on Whitelow Lane. Many thanks to everyone that entered, all the marshalls, volunteers and timekeepers required to make the event run, residents of Whitelow Lane for their support, and everyone that came out to cheer the riders on.
