THANKS

A big thank you to all the riders on the day who turned up and put in a great effort that produced some exciting times. The weather smiled on us and, apart from a small rain shower, it was a little cold but a lovely clear day for a ride.

A big thank you also goes to all the helpers (on the course, in the HQ and in the kitchen) who turned out to make the race a success.

We were fortunate enough to have a photographer on course and his photos can be viewed at:
