Race Organisers Ramblings

When planning this event all those months ago, my vision was to make it a fun day and for it to be as all-inclusive as possible. Thanks to my Club Sotonia CC and to everyone who participated, I think we achieved my goal.

Competitors travelled from far and wide. It was brilliant to see so many first time racers, para athletes, juveniles and seasoned time triallist together. Our youngest rider was just 10 years old and the most senior was an incredible 89.

Although a tad chilly and cross winds which made the bikes twitch a bit, the predicted rain held off until we were loading up the cars after everyone had gone. Phew!

If my maths is correct, an additional £598.97 was raised and will be donated to the ME Associations Ramsay Research Fund bringing the grand total to £14,967. Thank you so much for your generosity.
