**Many thanks to all the helpers who made
this event happen. I am very grateful
for your assistance and without you, this
event would not have happened.**

I would like to thank you all for making the EDCA event such a success. The weather was a touch warm but I am sure you were all just pleased to be out riding your bikes given the current covid situation. We had our strongest turnout in a good few years and this shows with the exceptional results we witnessed. I am only sorry that we could not have had the results board at the HQ for the added drama of seeing the times come in but fingers crossed for next year.

I think you will agree that there were some exceptional rides all round with the men's and ladies course records being broken but I want to point out Francesca Halls ride today. Francesca set a new course record of 21.48 which obliterated the previous course record by 1.28. Absolutely astounding. Mathilde Pauls also rode faster than the previous course record today in the ladies' event with 22.44.

In the men's event we saw two riders separated by just 2 seconds and well clear of the rest of the field. Jason Bouttall smashed the previous course record by 29 seconds with 19.26 and then 2 minutes later William Perrett broke it again with 19.24. Clearly lockdown has not slowed some people down. We also had a 3rd rider break 20 minutes in Zachary Herrod.

It was lovely to see you all again and I look forward to you all returning next year. All prizes will be posted out over the next week.

Stay safe,
Sincerely

Daniel Bloy
