Conditions presented a moderate westerly wind, (about 9mph), assisting riders on the Madingley to Caxton Gibbett leg, with return, Caxton to Madingley, into the wind, providing a couple of faster gradients. There were two tandems and seventy-nine solos on the start sheet. 54 solos started and 49 reached the finish, accumulating 28 improvements on current times.

Maybe the 25 recorded DNS's will be more committed in future when they find out what they, potentially, missed.

The F2/50 near Cambridge keeps on giving, yielding a course record to Christopher McNamara, who galloped round to take 2m 25s off his own previous record. Likewise, Rachael Elliott and Ian Greenstreet, lowered their own tandem course record by 1m 5s. Eight women, from eleven on the start sheet decided to give things a miss, to the benefit of Kim Barfoot-Brace. And look at the impressively close grouping in times of Ely & District CC/B&T Motor Repairs team; 6 seconds covers it.

Many thanks go to Gordon Hart for his usual timekeeping expertise, and to my Finsbury Park CC clubmates out on the course and in the kitchen ensuring a safe and enjoyable afternoon for all.
