OPEN TIME TRIAL

Banbury Star Cyclists' Club Open 23 Mile "HARDRIDERS" Time Trial

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations

Held on the K4/23 Course on Sunday the 13th of March 2022

With thanks to CTT and the committee and active members of BSCC for promoting, assisting and marshalling to make this event happen. We had eleven club members out on course providing good visibility and ensuring a safe event, so thank you to all of them. And in particular, our thanks to Howard Waller of Python RT for offering his timekeeping services once again.

Thanks also to Paddy for offering his time on a Sunday to provide coffee and cake for everyone.

Congratulations to **David Fellows (Solihull CC)** who has now won this event outright for the third time in a row and also to **Naomi de Pennington (Banbury Star CC)** for winning the ladies' battle, also for the third time. There were many other creditable and notable results through the field on what was a blustery and pretty chilly day. Well done to everyone.
