For full details of future ECCA events and results of past events and the season long competitions, go to www.easterncounties.org.uk where you will find this information plus lists of officials and member clubs. The website will always be up to date and should be your "go to" site for the latest information. You will also see details of The Bolton Fund which can provide financial assistance for riders in member clubs to achieve certain cycling ambitions.

If your club is not affiliated and is within one of our relevant districts why not affiliate. Not only do we promote a comprehensive time trials programme but we also have road races, circuit races and a grass track meeting and our collection of wonderful trophies is extensive. Full details are on the website.

For those worried about the marshalling requirements note that the duties reflect rider participation and that we now pay each marshal £20 towards their expenses. With many of the smaller clubs finding it difficult to promote races because of the lack of helpers, the ECCA offers a solution by promoting many races which only require a club to provide a small number of marshals throughout the year. It would be a shame to lose those races because clubs and their members are unwilling to help.

I would like to thank all the riders who decided to stick with the event when they did not what course would be used. To all of riders who arrived late at the start I would like to apologise as I did not check the distance between the headquarters and the start which meant I could not give them the time it would take them to get to the start. Luckily for me the timekeepers decided to not apply the late start penalty to these riders.

My thanks go to two timekeepers who handled all of the changes in the late rider start time without complaint. The other person I would like to thank is Keith West who handled presenting the results on the day as well as helping me with the event admin and the course signage.

Next, I would like to say that I was very happy that the London East district committee agreed to change back to the E2/100c course late Friday evening with the only condition being that I move the start time of the riders to be 22 minutes earlier.

Lastly my thanks go the following clubs who helped at the event - Bishop's Stortford CC, Cambridge CC, Chelmer CC, Essex Roads CC, Hitchin Nomads CC, Lea Valley CC, Peterborough CC and St Neots CC.
