Draft Report:

A beautiful, summers evening gave riders a good opportunity to secure a fast time on this famous course. Early riders saw a slight headwind on the way out with not much gain on the return, but those later to start benefitted from the slight outward leg breeze dropping.

A strong field of riders and a credit to the time trial scene for a mid-week event, saw 94 participants start. Senior Female category was won by Joanne Patterson in a time of 20:16 (15th overall), with the Senior Male category being won by Liam Beaty, in a time of 19:03, taking the overall honours (1st overall).

Thank you to all entrants for their support shown to our club and the event hosted – see you next year!
James Hodgson – Barrow Central Wheelers Chairman.
