In the tables of above

Riders shown with † in the Improvement Pos column had no "25" time in the current & last 3 seasons and those shown with § against their number had beaten 56:00 prior to the event.

Big change for us with having to move to a new course because of the road works on the A14. Not that I think the riders will complain judging by the extremely fast times recorded. Dry, sunny and a bit warmer than recent days but that gusting easterly breeze making the sections back to Madingley a bit slower. Still that didn't stop a lot of riders from improving with 51 of the 94 finishers ending up with a new PB and 21 possibly disqualifying themselves from next year's event, having beaten 56:00.

Because of the ruling that riders who had previously beaten 56:00 before the event could not count for the prizes a few of the fastest don't appear in the awards. We promote the Middlemarkers 25 to give slower riders and those starting out on their racing careers a chance to ride on a fast course, how else would a rider with no 25 PB get a ride in a fast event. That certainly proved its worth with winner Ian Hope riding his first 25 and recording a fantastic 50:24. Second fastest Paul Turton (51:40) improved by 5:23 and fourth fastest Sean O'Sullivan (52:07) improved by 6:44. The Ladies race was very close with just one second separating Lizzi Duncombe (55:26) from junior Eva Callinan (55:27). Andrew Mussett recorded the best improvement of 8:29, closely followed by Simon Higgs (7:34), Sean O'Sullivan (6:44) and Neil Dowie (6:12). Essex Roads CC recorded some excellent times to take the Team win by a substantial margin.

The Shaftesbury have now been promoting the MM 25 for 54 years. The limit has got faster over the years and in 2019 we lowered the limit to 56:00. Perhaps, with riders getting faster and faster, we need to consider whether our Middlemarkers has changed into a Longmarkers event. For those of you still outside the 56 limit (or maybe 55:00 if we change) look out for our event next year, we'd be delighted to receive your entry.

Very few non-starters and our thanks to those who let us know in advance and also to those riders who expressed their thanks by email or on the forums. Talking of appreciation, I and all the riders owe a debt of gratitude to the many helpers who are all needed to run a safe and enjoyable event and these are:

Sharon Jackson (signing on/off), Derek Brandon (Start Marshal), Scott Beard, Richard Austin, Phil Hodey, Nick McAuliffe and Martin Baumber (Caxton Gibbet), Matt Steel, Sam Thienel, Richard Parrotte and Jim Green (Madingley), Laurence Bellamy (Finish Area Recorder), Keith West (Results) and Paul Hirst (Signage). Lastly and by no means least, Tim and Becki Groves (Timekeepers).

Without these volunteers we would not be able to promote our ever successful events and again I Thank You.

So that we can distribute the prize awards would the winners please contact me with their Bank details, PayPal account details or a request for a cheque. ([25organiser@shaftesburycc.co.uk](mailto:25organiser@shaftesburycc.co.uk))
