Congratulations to Laura Davies who set a new course record of 20-25 and also to all the prize winners and thanks to all who entered in this the 14th running of the annual Chronos RT 10 mile TT. It seemed a reasonable day standing marshalling at Caxton Gibbet with a 9 mph Westerly wind and temperature of 22 degrees C.

I'd like to apologise for the delay in the publishing of the results due to a few issues. Thanks for riding on what will almost certainly be our last event on the F2A/10 and thanks for all your support over the years as many of you always ride our event.

Thank you all, over and out.

Lots of love

Chronos RT

Thanks to Davey Jones Photographer for putting out the direction signs again this year and also for photographing each rider. I'd also like to thank the following for making the event happen: Debbie Knott, Dave Creese, Jane Creese, Kevin Creese, Andy Bright, Adrian Briers, Dave Crane, Mike Bannister, Stuart Tarry, Ian Markham and last but not means least John Pick.
