A NOTE FROM THE EVENT SECRETARY

Firstly thank you to all those who helped run the event and to all riders for helping to make it a success. There seemed to be a real buzz in the HQ afterwards. Well done for braving a chilly morning. With A419 closed for the section between the Water Park and Cricklade led to some diverted traffic increasing the traffic flow Eastwards but of course it fell off a cliff Westwards. Thankfully the count was within limits and no riders reported any issues on the road, although I know some got held at the first RAB with drivers being confused by the closed road sign.

As always a huge thanks to my club helpers and officials. Today we had:

Paul Freegard – opening the HQ for you and manning the tea urn

James Eccleston – start official

Mike Griffin – holder up

Emily and Andrew Lockwood – mid course traffic counts

Lisajayne Booth – who called out finish numbers

And of course to the timekeepers Sue Andrews and Doug Gale. Also of course thanks to the Bradstone Sports Pavilion for the use of their building and car parking which makes running the event so much easier. I think we escaped before the footballers were fully ensconced.
