For full details of future ECCA events and results of past events and the season long competitions, go to www.easterncounties.org.uk where you will find this information plus lists of officials and member clubs. The website will always be up to date and should be your "go to" site for the latest information. You will also see details of The Bolton Fund which can provide financial assistance for riders in member clubs to achieve certain cycling ambitions.

If your club is not affiliated and is within one of our relevant districts why not affiliate. Not only do we promote a comprehensive time trials programme but we also have road races, circuit races and a grass track meeting. Full details are on the website. For those worried about the marshalling requirements note that the duties reflect rider participation and that we now pay each marshal £20 towards their expenses.
