

VIRTUAL CYCLING CLUB 10-MILE TT, 2024

OFFICIAL RESULT

This is the official result for our time trial event held on the R10/17 course on August 19th 2024, promoted for and on behalf of Cycling Time Trials under their rules and regulations.

MANY THANK YOUS

We're pretty chuffed with the way things turned out at the event yesterday – the weather, the facilities at the new HQ, the accident-free event and the atmosphere that we shared back at the base. We really enjoyed it and it sounds like many of you did too. So, once again, thank you for supporting our event and helping to make it special. Thanks also go to our timekeepers Phyl, Robin and Frances and to all the VCC helpers who gave up their time to ensure a welcoming and safe event.

RESULTS AND AWARDS

We hope you enjoyed seeing the race results trickle through to the event HQ in real time. If you rode with a number that was 30+ it's likely that your finishing time was on display there before you got back to sign out. The full result is now visible on the [CTT website](#) and also on the [ResultSheet](#) service that we used on the day.

Here's a recap on our awards.

UPCOMING EVENTS

The riders listed above all receive a FREE entry into a future VCC event of their choice. This could be our [25-mile event](#) on the R25/7 course over in Usk on August 11th, but if that doesn't suit then we'll roll the award over into the 2025 season.

And three weeks later, on behalf of the Welsh Cycling Association, we'll be hosting the [Welsh 12-hour event](#). We're proud to be taking the baton from Robin and his gang, who have done such an outstanding job with this event over so many years – and we hope we can live up to the high standards that have made this the most enjoyable and supportive event on the calendar, for riders and their families. But if you're not quite ready to step up from 10 miles to 12 hours this year, you could still be a part of the event by popping along to the Raglan/Abergavenny area on September 1st to see some extraordinary feats of cycling endurance. And if you're up for it, we'll find a hi-viz jacket and a job for you!

Wherever your season takes you, have a good one and stay safe. See you around.
