Race Report

A small entry of 41, with 35 taking to the start tackled the D10/23R course from Waters Upton to Hodnet and back to Waters Upton. Riders were helped along by a steady tail wind on the outward leg. The tail wind was generally offset by the gradual elevation gain to Hodnet where riders then faced a return leg into what is fair to say, a stronger than expected head wind. Ben Lloyd (Wrexham Fibrax RC) sped round the course in 20:24 for the win with a margin of 28 seconds over second placed rider David James Williams (Velotik Racing) 20:52. Niall Kenyon (Chester RC) rounded off the podium with a 21:58.

Fastest lady on the day was Emma Tilston (Chester RC) with a 28:59 giving her the win over Clare O'Donnell (Wrekinsport CC).

David James Williams (Velotik Racing) time also gained the win in the vets standard with a healthy +5:27 to beat John Dromey (Rhos on Sea CC) into second at + 4:00. The evergreen Alan Forrester (Graham Weigh Racing) won the race to round off the vets standard podium with + 3:52, with six other rides hot on his heels spread over six seconds.

Ben Lloyd success was capped with him leading home Wrexham Fibrax RC to also take top honours in the team competition accompanied by Alistair Brown – 22:16 and Richard Elmitt – 24:36 for a winning team time of 1:07:16 providing plenty of time to spare over the team of Graham Weigh Racing.
