First of all, many thanks to all the riders and helpers in making this event a success – we understand that this was the first Open TT in the North Midlands CTT District since the easing of the second lockdown and everybody seemed keen to get back to racing. Having said that, we almost postponed with 3 weeks to go as only 22 people had entered this and the TT-bikes event which followed! Good job we hung in there...

We were blessed with superb weather – sunny, almost still and warm enough. We think everyone enjoyed their ride and it was nice to get plenty of positive feedback from competitors after the event. Most liked the challenge given by the rolling course – perhaps particularly the ‘refugees’ from road-racing and triathlon?!

Thank you for bearing with us regarding the lack of a formal HQ – we gave up counting the number of venues that didn’t even return a phone message or an e-mail. And thanks for the considerate parking – we find it hard to believe we got no complaints from the residents. Perhaps the biggest shock was that West Yorkshire Police’s named contact for the Police Notification Form actually turned up to observe signing on/ off for half an hour – and told the Event Sec that he was also the national Police lead for racing on open roads: no pressure there then!

Many congratulations to all the prizewinners. The closest result may have been for the team prize, where only 14 seconds separated the winning Hull Thursday RC team (Mark Walker, Josh Ravn and Mark Robinson) from the Geared Up & CN RT (Thomas Davison, Michael Bray and Jules Chadderton).
