ACKNOWLEDGEMENTS:-

Dear Friends,

I would like to say a big thank you to all competitors for entering, the numbers were down again on previous years like many other events nationwide which regrettably has reflected on the prize list. It was good to see many of the usual suspects riding again, some I only speak to once a year.

The weather let us down this year and only stopped raining as the last riders were finishing.

Sincere thanks to all the Hainault RC marshals and also to regular friends Graham Dallow and Hugh Williams who helped us out again, some marshals standing in the rain for up to 90 minutes to support the event. You would not believe the age of some of these Hainault marshals.

I trust that you all had your fill of the post race refreshments, courtesy of Simon (a qualified chef), Anne and Margaret and enjoyed the general banter and conviviality in the HQ.

Well done to all prizewinners and thanks again to all marshals and helpers.

Graham Mann
