#### *Arriving at the Event*

##### **Parking**

Parking is available in Stokesley town centre and is approximately 1 mile from the start.

##### **Event HQ**

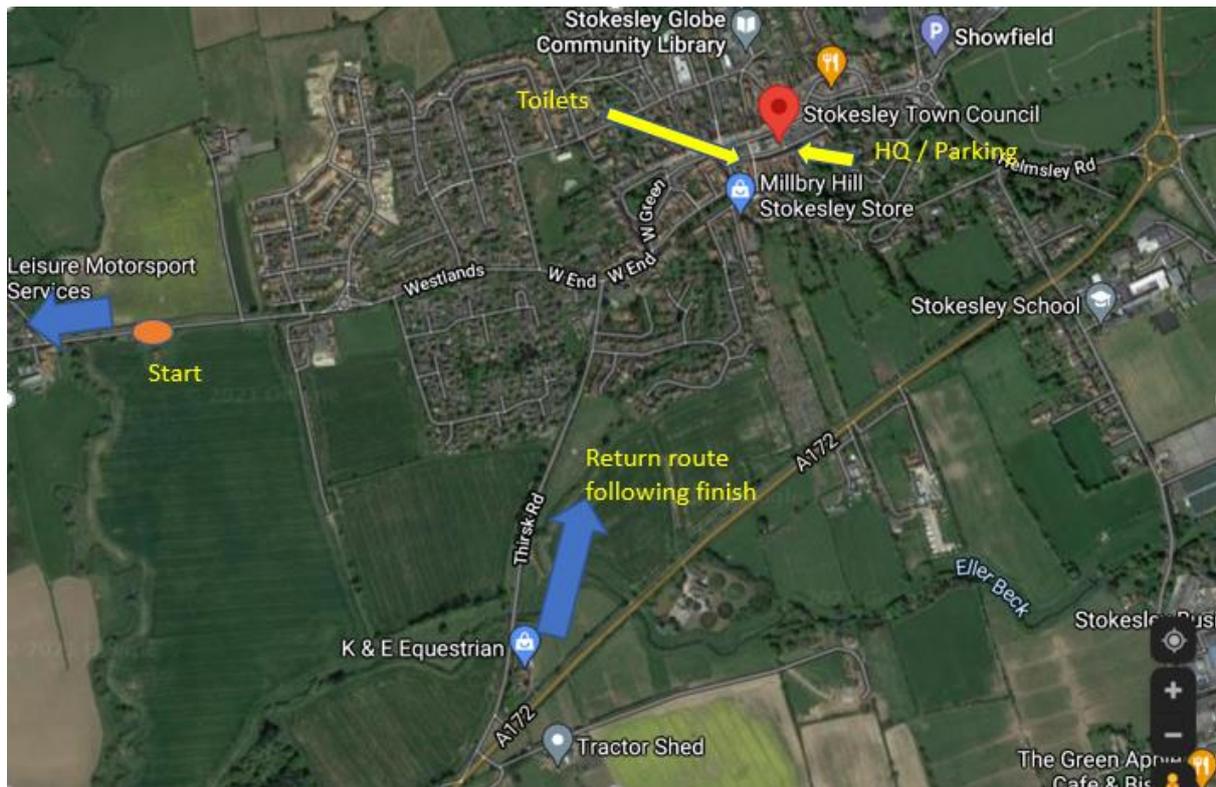

The event HQ will be in Stokesley Town Centre Car Park, in front of the building pictured to the left and will be using a white VW Transporter van. This is where sign on and number collection and return will be stationed.

As a consideration to fellow competitors, we would advise to maintain social distancing in the car park area and wear a face covering when in close proximity to others around the Event HQ and the Toilets.

##### **Toilets**

There are public toilets facilities available in Stokesley Town Centre (marked on map below).

No vehicles, except those of the timekeeper(s) and other event officials, shall be parked on the side of the road in the vicinity of the start and finish points and these are to be positioned off the public footpath.

**Warming Up** - No U-turns within sight of the start line. The roads around Stokesley and Seamer provide plenty of opportunities for warming up. Please do not use turbo trainers within 100m of inhabited properties.

**Race Numbers and signing on sheet** will be at the event HQ. When signing on, if applicable, please tick the required column to indicate that you are to compete on a road bike. Please pin numbers on as low as possible to assist timekeepers and number catchers in identifying you. If you could shout your number as you pass the finish line it would be much appreciated.

## Course details

## ***Attention!!***

**Parked Cars** - Please take care when passing stationary / parked cars in the village of Hutton Rudby at the top of the bank.

**Speed Limits** - In Hutton Rudby where you pass through there are speed limits. Please adhere to these limits.

**Road Surface** - It is generally in good condition but please take care on the left hand junctions. On the Black Horse Lane, prior to turning left back onto the A172, there is often mud on the road on the approach to the junction due to farm workings. Please adjust speed accordingly

**Tight turns** – On the first part of the descent into Hutton Rudby there is a sharp left turn 90 degrees (care) and also please be aware of the church at the bottom of the bank by the river Leven. Please be aware of your speed on the approach and do not take any risks here to save a couple of seconds.

**Helmets** - In the interest of your own safety, CYCLING TIMETRIALS, and the Event Promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In Accordance with Regulation 15 ALL Junior and Juvenile competitors must wear Protective Hard Shell Helmets

**Rear Lighting** - A working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use.
