IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. It is also recommended that a WORKING (FOUR4th) REAR LIGHT, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use

Do not park near the start on the verges, entrance to the ranges, or the depot as this is MOD land, and it is likely that you will be clamped or worse, as well as a DQ! Also the controlled explosion can unsettle other riders.
