Headquarters (marked on map below)

As for previous years, we are using Christ Church Dore Community Centre as HQ (marked on the map below) where you will need to sign in, collect your race number and sign out. Toilets are available. There is very limited parking at the HQ but there is plenty of on-street parking available not too far away in Dore.

PLEASE park without causing inconvenience for local residents. Don't block driveways, including on the closed road. We need to maintain the support of the local community!

Dore Church Hall - Townhead Road, Dore, Sheffield, S17 3GA

Free refreshments, including beer, and prizes handed out after the event at HQ. We also have awards to be presented for the Summer Hill Climb Series so stick around after.

Course description OHC21

The road will be closed for the event. Other riders will be riding back down so you still need to keep to the left-hand side of the road.

Start in dip just before bridge over Redcar Brook. Proceed uphill past 2 house entrances on right, past Shorts Lane (no through road) and Roundseats Farm on left. Follow the road as it turns first right and then left. Finish opposite rough lay-by just before junction onto A625 Hathersage Road. (1620yds)

Key Instructions (sorry Cycling Time Trials make the rules)

EVEN THOUGH THIS IS A CLOSED ROAD EVENT, THESE RULES STILL APPLY:

- It is compulsory that working **front and rear lights**, either flashing or constant, are fitted to the machine in a position visible to following road users and are active whilst the machine is in use.
- **ALL competitors must wear a helmet.**
- If you have registered for the event as a member of 7Hills CC and require day membership, forms will be available at sign in.
- All under 16's require parental consent forms to be completed. These will also be available at sign in.
- After competing, return your number and sign out.
- To avoid impeding other competitors, you **must** ride past the finish line before you stop and turn. No U-turns near the finish line.
- You may ride back down the course after you have finished but keep fully to the left and descend very slowly. Other competitors will still be racing on the course.
