## A VERY WARM WELCOME

To the riders and their families attending our final time trial event of 2024, thank you for your support and we hope you enjoy your time with us on Sunday. Our headquarters for the event is at **Usk Centenary Hall** (also known as Usk Scout Hall), which is little more than a mile from the start line for the R25/7 course.

**Usk Centenary Hall, Maryport Street, NP15 1AD**

We do have a backup course ready (the R25/7a). If this comes into play it will mean a longer trek to the start line but we'll provide directions and marshals to help you get there. Rest assured, we don't think we'll need it; we just wanted a backup plan in case of an emergency – as opposed to a shortened event or a cancellation.

Please ride safely on the course and take a few minutes to read the directions in this booklet. There are a couple of opportunities for you to go off course – I speak from experience on this point – but hopefully our signage, course directions and marshals will help you stay on track. There are also links throughout this document, providing downloadable directions to the start and for the course itself.

Back at the HQ we'll have plenty of refreshments waiting for you, including gluten-free and vegetarian options. We'll also have a return of the ever-popular boiled eggs for those who need a post-ride protein boost.

We're grateful to our timekeepers Phyl Harradine, Robin Field and Frances Field and to our VCC helpers Debra, Diane, Helen, Daniel, Lauren, Emily, Sam, Jack and Jeff. Thanks to everyone involved; we couldn't do this without you.

**Simon Kinsey**

## THE 25/7 COURSE

- Start on southbound side of Monmouth Road (unclassified) at approximately SO 38983 02022, opposite post between gates on right to farm buildings and to "Usk Castle Chase Natural Burial Ground", 125 yards south west of "Bends for 1½ miles" sign on the old Usk/Raglan road.
- Proceed towards Usk. At the foot of the hill turn left and left again onto A472 and proceed to take left hand lane at Llangeview interchange to join the A449.
- Proceed via Raglan interchange where the road becomes the A40.
- Continue to pass picnic area (11.757 miles) and through tunnel (12.5 miles point is 100 yds inside the tunnel).
- After tunnel bear left and in 300 yards at garage turn left with great care onto B4293.
- Cross over tunnels and in 2/3 mile keep straight on, remaining on unclassified road (taking care at pedestrian crossing) to rejoin the A40 at Mitchel Troy. (Sign for "Mitchel Troy" at 14.367 miles)
- Retrace via Raglan interchange and at Llangeview bear left to leave A449 and proceed on A472 to finish opposite 2nd drain cover on right, 25 yards beyond telegraph pole DP63 and 350 yards beyond rear of sign reading A449/B4235 on approach to Usk.

There will be marshals stationed at key points around the course but please remember that they're there for guidance only and have no authority to control traffic. Please take the time to familiarise yourself with the course – in particular we draw your attention to the following key points:

---

### 1.0 miles, foot of the hill, road sweeps around to the LEFT, take care

# VIRTUAL CYCLING CLUB 25-MILE TT, 2024

virtualcyclingclub.com

1.1 miles, junction ahead, turn LEFT but be prepared to GIVE WAY

6.5 miles, REMAIN on the A449, if you took the exit ramp you wouldn't be the first to do so but it's not a club you want to join!

12.4 miles, approaching the tunnel, be prepared to turn LEFT on exit

# VIRTUAL CYCLING CLUB 25-MILE TT, 2024

virtualcyclingclub.com

12.6 miles, emerging from tunnel, bear LEFT

12.8 miles, passing the petrol station, then immediately turn LEFT with great care at the mini-roundabout; don't go straight on!

13.2 miles through to 15.0 miles, road surface on B4293 is less than ideal, pot-holes might be hard to spot under tree cover

# VIRTUAL CYCLING CLUB 25-MILE TT, 2024

virtualcyclingclub.com

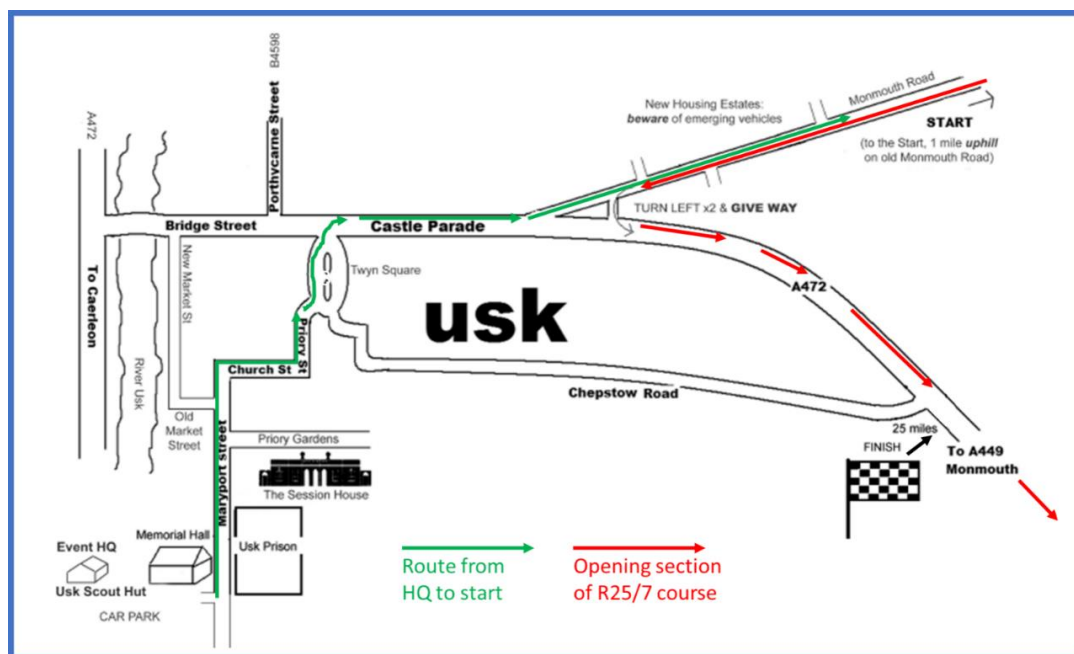

14.6 miles, keep RIGHT at the fork where the road becomes unclassified but soon merges right onto the A40; **don't go LEFT!**

Digital readers can click/tap here to view and download the course in [Strava](#), [GPX](#) and [TCX](#) formats.

## GETTING TO THE START

It's a ride of 1.4 miles from the HQ to the start line, the second half of it uphill; we suggest allowing about 10-15 minutes for the trip. Below is a suggested route, adapted from a sketch kindly provided by our friends at the Cardiff 100 Miles CC. **Again, digital readers can click/tap here for [Strava](#), [GPX](#) and [TCX](#) versions.**

# VIRTUAL CYCLING CLUB 25-MILE TT, 2024

## AWARDS

As advertised, there are no monetary prizes for our 2024 event; instead we've chipped a couple of pounds off the entry fee, so you could say that everyone has picked up a small participation prize! We're sticking to our tradition though by handing out free entries to future VCC events.

So as we look ahead to the 2025 season – *which we hope will include a return to the R25/3 course* – we'll be delighted to welcome back the winners of the following categories, free of charge:

- Fastest three TT bikes (open)
- Fastest three TT bikes (female)
- Fastest road bike (open)
- Fastest road bike (female)
- Best result against veterans' standard (open)
- Best result against veterans' standard (female)
- Best result against SpinData prediction (open)
- Best result against SpinData prediction (female)

## DISTRICT RULES

All riders are asked to comply with the following.

- Please call your number to the finishing timekeeper otherwise your time may not be recorded.
- Please keep your head up, be aware of your surroundings and HAVE A SAFE RIDE.
- It is now a **requirement** (no longer just a recommendation) that riders have FRONT AND REAR lights, either flashing or constant, fitted to their machines in a position visible to following road users.
- This event may be subject to doping control. It's YOUR responsibility to check.
- Sign in AND sign out; technically you haven't finished the event until you've signed out.
- Please don't pass the start timekeeper or warm up on the course. There's plenty of space for a warm-up if you head northbound from the HQ; just keep an eye on the clock!
- Don't use a turbo trainer within 100m of residential areas.
- Failure to follow these basic rules will result in a disqualification and referral to the South Wales DC for further disciplinary action.

## A WORD ABOUT THE WELSH 12

We said that this was our final event for 2024, but on behalf of the Welsh Cycling Association VCC is proud to be promoting the WCA 12-hour event in three weeks' time.

This is the most friendly and supportive event on the TT calendar, with all riders and their helpers giving encouragement to others from start to finish. It's a long day in the saddle, but an uplifting experience for all involved.

If this sounds like your idea of a day out, there's time to get an entry in. Click [HERE](#) for a solo entry, or [HERE](#) for a tandem.
