

Bournemouth Jubilee Wheelers 78th Edition Open 25

25 Mile Time Trial P413/25
Sunday 18th July 2021

STARTSHEET

BJW was formed in 1935, the Jubilee Year of King George V. The first official 25 was held in 1936 and won by Stan Hullett (1.09.20). From 1940 to 1945 events were not run due to the outbreak of war as many members were conscripted to fight or required to support in the war effort. Events resumed in 1947 and we have been running an open 25 every year since.

IN THE INTEREST OF YOUR OWN SAFETY

Cycling Time Trails and the event promoters strongly advise you to wear a HARD-SHELL HELMET that meets an internationally accepted safety standard. ALL JUNIOR competitors must wear Protective Hard-Shell Helmets.

In accordance with Regulation 14 h) i) No competitor shall be permitted to start unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

You must avoid riding with your head down. Even on a Clearway, cars may stop for a variety of reasons, and the responsibility for avoiding them rests with the rider. In the event of a collision, the fact that the car was contravening the Clearway regulations will not be an excuse. A rider can expect a suspension from competition for any failure to watch where they are going.
