Due to Covid-19 restrictions the sign on / off desk will be unmanned although TVC marshals will be in the area. You should bring your own pen to avoid unnecessary cross contamination.

Please ensure you read the Covid-19 risk assessment prior to signing on. Please arrive 30-40 minutes before your start time, dressed to race as there are no changing facilities at the HQ – Changing in toilets will not be allowed. Note that while spectators are permitted this year good social distancing practice should be followed.

No Warming up on the Course once the event has started. No U Turns within sight of the start or finish.

Keep your head up at all times.

Please respect social distancing at the start and be aware there will be no push off, all riders will start with one foot on the ground. Do not leave any personal possessions with the Timekeeper. Do not stop at finish to ask for times. Return as soon as possible to HQ.

In the interest of your own safety, the CTT and the event promoters strongly advise you to wear a hard-shell helmet that meets an internationally accepted safety Standard. Regulation 15 requires all riders of 18 years and under to wear a suitable Helmet.

It is now compulsory that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active whilst the machine is in use.

It is your responsibility to check if you are required for Doping Control  
Race numbers required for Doping Control will be displayed at the HQ.

## Covid 19

This event is being delivered in compliance with ongoing Government recommendations and CTT Risk Assessment for Covid-19 16/07/21

The key points affecting you as a competitor are:

- Competitors should plan to arrive 30 – 40 minutes before their start time to allow time to sign in, warm up and get to the start line and not attend if they feel ill in ANY way or if family members have any symptoms.
- An elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of ANY kind. You should NOT start the event (DNS) and leave immediately. Do not go to the start line if you feel this is the case and notify the organiser of your intention not to start because of an adverse warmup.
- It is preferable for all warmups to be conducted independently and ideally competitors should warm up on the road individually.  
The use of turbo trainers or rollers can be considered if warming up is carried out independently away from the sign on area and provided an absolute minimum of 2 metres social distancing from all others including that may walk past is possible.
- Competitors on finishing MUST NOT stop at the finish and MUST NOT loiter at the HQ/car park. **There will be no results posted at the HQ during the event** and no prize giving after the event. Winners will be notified, and results posted to all competitors.
- After finishing competitors must complete the sign out sheet and return their number to the bin provided. You MUST then pack away and leave immediately.
- No support can be provided if a competitor suffers mechanical difficulties. It is strongly advised that all competitors carry with them a spare inner-tube/tubular, pump and tyre levers if required.
- It is strongly advised that all competitors carry a mobile phone and take with them the telephone number of the event organiser, Martin Bagshaw 07841 211 575. Please telephone the organiser if you have failed to finish the event.
